

Dear Fellow Members,

My name is Tyler Mattson, and I am honored to announce my candidacy for the open Trustee position on our Benefits Fund. At 37 years old, a husband and proud father of a two-year-old daughter, my family and I have personally relied on this fund since I began my career with Palm Beach County Fire Rescue.

Starting this June, I have the privilege to serve as a Trustee for Local 2928. This opportunity has deepened my commitment to ensuring our Benefits Fund thrives, given its critical role in providing essential benefits to all of us, active and retired alike. As many of you may know, our fund currently faces significant challenges. Expenses have surpassed contributions, driven by economic pressures, increased claims, and possibly inefficiencies in management.

My sole objective as your Trustee will be to guide the Benefits Fund back to sustainability, ensuring that it consistently offers the most current and comprehensive benefits at the lowest feasible cost. I am dedicated to working collaboratively with the existing board members, always prioritizing transparency, prudent financial oversight, and inclusive decision-making that considers the welfare of both retirees and active members. No member should ever feel left behind or underserved.

I appreciate your consideration and ask for your support. Your vote is crucial—please remember to cast your ballot between May 12th and May 16th.

Thank you sincerely for your time and trust.

Respectfully,

Tyler R. Mattson
